

TRANSLATION OF EH.298, DEUTSCHE ARBEITER!

(OBVERSE)

GERMAN WORKERS!

**IT HAPPENED AS IT HAD TO HAPPEN:
THE NAZIS DROVE YOU INTO WAR!**

In the name of all the workers of the world the leader of the British Trade Union movement, Citrine, said:

“Under the leadership of its Nazi dictators Germany has destroyed the peace and order of the world... These dictators bear the supreme responsibility for the war!”

The workers of England see through the clumsy swindle of the so-called “Nazi Socialism” and are determined to pursue the war against the Hitler-system of oppression until the bitter end.

Remember your own strength and the tradition of German labour.

**German workers
WORK
FOR PEACE AND FREEDOM AND
HUMAN RIGHTS!**

(REVERSE)

GERMAN WORKERS!

THE TRUE FACE OF THE NAZI SYSTEM IS REVEALED

German trade unions were suppressed. The funds of organised labour were confiscated by the brown shirted gangsters.

ALL YOUR ACHIEVEMENTS,
your social laws, cultural associations, youth movement, sports clubs and your factory councils
BECAME VICTIMS OF THE BROWN REGIME OF VIOLENCE.

Now you have labour pass, compulsory contributions, the 10-hour day, wage reductions, abolition of the freedom of movement and compulsory labour for unemployed and the

FACTORY-ESPIONAGE of the GESTAPO!

The first paragraph of the Weimar Constitution for which you fought said:
“THE POWER COMES FROM THE PEOPLE!”

The law of the Third Reich says:

“THE LEADER COMMANDS!”

HE COMMANDS WAR!
