

TRANSLATION OF IZ D0982, MOQTADA IS A NOBODY!

(OBVERSE)

Moqtada is a nobody!

He is nothing more than a coward and a killer whose violent actions are only justified by his own selfish desires. He has nothing to offer to Iraq or the world.

His actions are driven by personal greed and without the consent of any legal authority.

Where does this coward get his strength from?

(REVERSE)

Nothing is sacred for Moqtada. He uses your holy sites as hiding places for arms and terrorists. He has no respect for this place or to the people of Najaf.

Take back the resting place of Imam Ali.
